

smartPRINTER™

Ready, Set, Mark...

...with smartPRINTER™ from WAGO

Now you can cost effectively mark terminal blocks, wire markers, push button plates, adhesive labels, and more in half the time.

- Print on both strip and tag style markers for terminal blocks, relays, etc.
- Multi-line marking capable – more detail means less wiring errors
- Clear, smudge resistant thermal printing – no drying time
- All marking materials on continuous reel – reduces reload for faster marking
- Mark up to 9,615 terminal blocks on a single reel
